Important information inside  
Kerb Upgrade

6<sup>th</sup> July 2026

Dear Resident,

**Delay in Kerb Upgrade Works**

We would like to inform you that the scheduled kerb upgrade works on Guger Street (South): Ashton Avenue to Loch Street, have been delayed due to recent rainfall.

Unfortunately the wet conditions have made it unsuitable to proceed as the works requires dry weather to ensure quality and durability.

The works have been rescheduled to 5<sup>th</sup> October 2026, but we will provide an update on the Town of Claremont Website if there are any further changes to the schedule.

We understand that this delay may cause inconvenience and appreciate your patience and understanding as we work to deliver a safe, high-quality roadway. Our goal is to complete the project as quickly and effectively as possible once the conditions improve.

If you have any questions regarding this project or would like further information, please contact me on 9285 4300.

If you have any questions regarding this project or would like further information, please contact me on 0409 725 062.

Yours sincerely
