TOWN of CLAREMONT
Est 1898

To the Resident
Important information inside
Pelican Roosting Post – Claremont Foreshore

02 November 2026

Dear Resident,

Notification of Works

The Town would like to advise the following upcoming project:

Type of works:	Pelican Roosting Post – Claremont Foreshore
Location:	1 Jetty Road, Claremont
Commencement date:	13 November 2026 Friday
Estimated end date:	24 November 2026 Tuesday
Time:	Between 7:00 AM and 5:00 PM

The Town would like to advise the commencement of the installation of the pelican roosting near the Jetty Road toilets at the Claremont Foreshore on 13 November 2026. The post will provide a safe roosting and landing location, as well as potential feeding and social opportunities for pelicans, including the well-known local pelican, Pancho.

Works are expected to occur between 7:00 am and 5:00 pm. During this time, there will be temporary traffic disruptions within the work area. Access to properties on this area will be maintained, guided by on-site traffic management personnel. Traffic control measures will be implemented to ensure safe movement around the site.

Whilst the aim is to start and complete the works by the dates indicated above, this is dependent on weather conditions and ongoing contractor availability.

The Town will make every effort to minimize the inevitable inconvenience caused by works of this nature.

If you have any questions regarding this project or would like further information, please contact the undersigned on 0427 724 742.

Yours sincerely

Menandro Mayores
Coordinator Project Management
