Playground Equipment Additions – Rowe Park

17 April 2025

Dear Resident,

### **Playground Equipment Additions – Rowe Park**

The Town would like to advise that there will be three pieces of additional playground equipment being installed at Rowe Park in the vacant sandpit to the south of the existing playground on 5<sup>th</sup> / 6<sup>th</sup> May 2025, weather and contractor permitting. Images of the designs have been included in this letter.

Below is the proposed sequence of events:

- Fence off work area with temporary fencing
- Playground contractors dig in footings
- Playground contractors install new equipment
- Temporary fencing is removed
- Playground reopens

Works are expected to occur between 7am and 5pm. While it is inevitable that works of this nature will cause some inconvenience, every effort will be made to ensure that this is kept to a minimum.

If you have any questions regarding this project or would like further information, please contact me on 9285 4300.

Yours sincerely
