To the Resident
Important information
Road Resurfacing

22 October 2026

Dear Resident,

Notification of works

The Town would like to advise the following upcoming project:

Type of works:	Road Resurfacing
Location:	Gugeri Street (South): Ashton Avenue to Loch Street
Commencement date:	Thursday, 29 October 2026
Estimated end date:	Friday, 30 October 2026

Below is the general sequence of events for the works:

- Day 1: Road profiling. Please note that there will be limited access to properties during profiling works
- Day 2: Lay new asphalt. Please note that there will be limited access to properties during asphalting works

Works are expected to occur between 9pm and 6am. While it is inevitable that works of this nature will cause some inconvenience, every effort will be made to ensure that this is kept to a minimum.

Please do not adjust, amend, or move any traffic management arrangements. Removing or ignoring safety signs and traffic cones can lead to confusion, personal injury, and can also cause delays.

While every effort will be made to commence and complete the works within the dates specified above, the program may be subject to change due to weather conditions, site constraints, or contractor availability. Should any delays occur, updates will be provided on the Town's website. Please scan the QR code above for the latest project information and project schedule updates.

An *information sheet* has been attached for your viewing, which the Town hopes will answer any queries you have whilst the works are occurring.

If you have any questions regarding this project or would like further information, please contact me on 0409 725 062.

Yours sincerely

Vinay Gupta
Project Officer
