Rescheduled - Footpath Reconstruction

9 September 2024

Dear Resident,

Further to our letter dated 2<sup>nd</sup> September 2024, regarding the upcoming footpath reconstruction on Vacluse Avenue (east side) Stirling Highway to Stevens Street, the Town would like to advise:

Due to potential conflict with Royal Show traffic (should works be delayed due to weather), the project has been rescheduled to start on Monday 14<sup>th</sup> October 2024.

The goal is to complete the works by Friday 25<sup>th</sup> October, weather and contractor availability permitting.

If you have any questions regarding this project or would like further information, please contact me on 9285 4300.

Yours sincerely

Wayne Mo
