Notice of Works – Park Furniture and Shade Sail Installation- Mrs Herbert's Park

13 October 2026

Dear Resident,

Park Furniture and Shade Sail Installation- Mrs Herbert's Park

The Town would like to advise that contractors will be removing the old plastic bench seat and picnic setting to the south of the playground and replacing it with new ones from Tuesday 20th October until Friday 23rd October. These park furniture items will be placed on new concrete pad bases.

Following this, on Monday 26th October contractors will be installing new shade sail poles for the playground into the sand pit area, with the shades being attached on Monday 2nd November.

Contractors will be on site between the hours of 7am and 5pm weekdays. Please always remain outside of active work zones, so contractors can complete the work safely.

While it is inevitable that works of this nature will cause some inconvenience, every effort will be made to ensure that this is kept to a minimum.

If you have any queries regarding this project or would like further information, please contact me on 9285 4300.

Yours sincerely,

Cloe Dolan
Manager Parks and Environment
