Notice of Works – Tree pruning – Avion Way

17 April 2026

Dear Resident / Business Owner

Street tree pruning of the London Plane trees – Avion Way

The Town would like to advise that our contracted Arborists will be carrying out works on the London Plane trees located on Avion Way between St Quentin Avenue and Stirling Highway on Sunday 3rd May 2026 and Sunday 10th May 2026 (if necessary). They will be using battery powered saws and a chipper whilst onsite.

Avion Way, between St Quentin Avenue and Stirling Highway will be closed for foot and vehicle traffic by traffic management and a detour will be in place.

Works are expected to occur between the hours of approximately 5am – 10am. The chipper will not be in use until after 9am to minimise disturbance. While it is inevitable that works of this nature will cause some inconvenience, every effort will be made to ensure that this is kept to a minimum.

Please note these works have not been done for a long time and it is in the best interest in the safety of the community and surrounding buildings that this work is carried out.

If you have any queries regarding this project or would like further information, please contact me on 9285 4300.

Yours sincerely,

Elliot O'Brien
Urban Forest officer
