To the Resident  
Important information inside  
Road Investigation Works

06 May 2026

Dear Resident,

Notification of works

The Town would like to advise the following upcoming project:

Type of works:	Road Investigation Works
Location:	Alfred Rd – Rochdale Road to 100m Past Lisle Street
Commencement date:	18 May 2026
Estimated end date:	18 May 2026

These works are part of our ongoing efforts to assess road conditions and plan for future maintenance and improvements.

Works are expected to occur between 7am and 5pm. During this time, there will be temporary traffic disruptions within the work area. Access to private properties will be maintained whenever possible, guided by on-site traffic management personnel. Temporary detours and traffic control measures will be implemented to ensure safe movement around the site.

Whilst the aim is to start and complete the works by the dates indicated above, this is dependent on weather conditions and ongoing contractor availability.

The Town will take every effort to minimize the inevitable inconvenience caused by works of this nature.

If you have any questions regarding this project or would like further information, please contact me on 9285 4300.

Yours sincerely

Menandro Mayores  
Project Officer
