#### ***Strong Governance. Stronger Community.***

As a Chartered Accountant (CA, CMA, GAICD) with 14+ years' experience in finance and governance, I bring strong financial acumen and a commitment to community service.

I have held senior roles in the resources and audit sectors. I have led budgeting, compliance and process improvement initiatives.

My governance expertise includes serving as Treasurer and Board Member for local not-for-profits, where I have secured funding, developed policies and driven operational growth.

I am a proud Claremont resident who cares deeply about preserving our town's character while planning for a sustainable future.

I am committed to priorities in Claremont's Strategic Community Plan; sustainability; protecting Lake Claremont; supporting local businesses; enhancing community facilities; fostering inclusion; and addressing crime.

Together, we can keep Claremont vibrant, green, safe and future-ready. Thank you.
