

## COUNCIL POLICY LG500

### PEOPLE MANAGEMENT

KEY FOCUS AREA      LEADERSHIP AND GOVERNANCE

#### Purpose

The purpose of this policy is to provide the principles for the effective management of human resources within the Town of Claremont (**Town**).

#### Policy

Council recognises the importance of a cohesive and supportive working environment in order to achieve the Town's strategic and operational goals.

In accordance with the Act, the Chief Executive Officer is:

1. authorised to establish and review the Town's organisational structure.
2. authorised to employ such persons, other than Senior Employees, as they believe are necessary and determine and amend position descriptions and classifications to enable the functions of the local government to be performed within the approved budget limit.
3. to decide the mix of permanent, contract, casual, full time or part time employment.
4. to provide qualitative and quantitative justification for any salary variations in the budget from the previous year and proposed budget cycle.

Council is committed to providing the budget and resources to ensure:

1. that the Town has sufficient employee numbers to achieve its overall strategic objectives and meet operational requirements.
2. a comprehensive induction and orientation program for new employees.
3. a performance management system linked to learning and development, training, developing career paths, succession planning and recognising and rewarding employees.
4. a culture of continuous improvement and learning and development.
5. to provide a fair and consistent approach to the way employee grievances and matters of poor standards of behaviour, conduct, performance, capability and attendance are dealt with.
6. planning, leading or facilitating organisational change with appropriate consultation.
7. a workplace that does not tolerate discrimination, bullying and/or harassment.
