Notice of Works – Swing Set and Shade Sails- Jean and John Mulder Park

13 October 2026

Dear Resident,

Swing Set and Shade Sail Installation- Jean and John Mulder Park

The Town would like to advise that contractors will be removing the old swing set frame to the south of the main playground and replacing it with a new one on Thursday 22nd October. On Friday 23rd October, the sand pit beneath the swings will be topped up and during the week of 26th October, the new swings will be attached to the frame.

Following this, on Tuesday 27th October contractors will be installing new shade sail poles for the swing set into the sand pit area, with the shades being attached on Monday 2nd November.

Contractors will be on site between the hours of 7am and 5pm weekdays. Please always remain outside of active work zones, so contractors can complete the work safely.

While it is inevitable that works of this nature will cause some inconvenience, every effort will be made to ensure that this is kept to a minimum.

If you have any queries regarding this project or would like further information, please contact me on 9285 4300.

Yours sincerely,

Cloe Dolan
Manager Parks and Environment
