To the Resident
Important Information Inside
Outdoor Fitness Equipment – Rowe Park

10 March 2025

Dear Resident,

Outdoor Fitness Equipment - Rowe Park

The Town would like to advise that there will be six pieces of outdoor fitness equipment being installed in the lawn area to the north of the tennis court at Rowe Park during the week beginning Monday 7 April 2025 - weather, contractor availability and material delivery permitting.

Images of the designs have been included in this letter. Earthworks are expected to commence on Monday 24 March 2025.

Below is the proposed sequence of events:

- Earthmoving contractors remove turf
- Fence off work area with temporary fencing
- Fitness equipment contractors dig in footings
- Footings cure for two days
- Fitness equipment contractors install new items
- Temporary fencing is removed
- Softfall mulch is installed
- Outdoor fitness equipment space opens

Works are expected to occur during working hours, between 7am and 5pm on weekdays. While it is inevitable that works of this nature will cause some inconvenience, every effort will be made to ensure that this is kept to a minimum.

If you have any questions regarding this project or would like further information, please contact me on 9285 4300.

Yours sincerely

Cloe Dolan
Manager Parks and Environment

SMALL | 6

Carefully selected products that fit well if you have limited space or budget. Despite its small format, the combination offers exercises for several muscle groups.
